Enhanced Construction Client Questionnaire

Thank you for contacting Enhanced Construction about your building project.

We've designed the following questionnaire to help us discover a little more about you and your project so we can provide you with the best service for your build.

Please return your completed questionnaire and building plans (if available) to us within a week, and we will be in touch within two weeks of receipt of your questionnaire to discuss the next steps.

Thank you again for contacting Enhanced Construction. We're looking forward to working with you.
